# WARNING

---

The legal voters of the Town of West Rutland, in the County of Rutland and State of Vermont, are hereby warned to meet at the Town Hall in said Town on the first Tuesday of March, being the 2nd day of March, A. D. 1965 at 10 o'clock A. M. to act on the following business:

1. To elect all necessary Town Officers as required by law.
2. To vote on the following questions:
  - (a) Shall license for the sale of Malt and Vinous beverages be granted in this Town?
  - (b) Shall spirituous liquors be sold in this Town?
3. To act upon the Annual Reports of the Town Officers.
4. Shall the Town of West Rutland authorize the Selectmen to employ a Town Manager. (By petition). This article MUST BE VOTED BY BALLOT.
5. Shall the Town vote a tax on the Grand List for expense on selected roads and cost of maintaining and repairing Town Highways, and if so, how much?
6. Shall the Town vote a tax on the Grand List to pay debts and defray expenses of the Town, and if so, how much?
7. Shall the Town vote a tax on the Grand List to be levied over a four year period to defray the deficit? If so, how much?
8. Shall the Town vote to authorize the Selectmen to borrow money to meet the demands of current expenses of the Town until funds can be realized from taxes?
9. Shall the Town vote a tax on the Grand List for Library Expenses, and if so, how much?
10. Shall the Town vote a tax on the Grand List for Recreation of the Town children, and if so, how much?
11. Shall the Town vote to appropriate the sum of \$100.00 for payment of expenses for the proper observance of Memorial Day?
12. Shall the Town vote to exempt from taxes, for a period of ten years, ALL AND ANY NEW WORKSHOPS, FACTORIES and MILLS in same, whose construction will begin A. D. 1965, and will employ 25 or more persons who are taxpayers in West Rutland?
13. Shall the Town vote to exempt from taxes, for a period of three years from date of this Meeting, ALL BUILDINGS whose construction will begin A. D. 1965, and USED AND OCCUPIED EXCLUSIVELY AS A HOME BY THE ORIGINAL OWNER(S) and appraised by the listers at a market value EXCLUSIVE of land, at NOT MORE than \$25,000.00 and NOT LESS than \$5,000.00. Said EXEMPTION being limited to ONE TRANSACTION within any 10 year period.
14. Shall the Town vote to pay current taxes direct to the Town Treasurer, and if so, on what dates and whether or not a discount shall be allowed?
15. Shall the Town vote a tax of ten cents on the dollar of the Grand List for a sidewalk construction?
16. Shall the Town vote to authorize the Town Manager to act as collector of delinquent taxes?
17. To transact any other business deemed proper, not involving the expenditure of Town Funds or any business acted upon in the preceding articles.

Ballot boxes for the election of Town Officers will be open at 10 o'clock A. M. and close at 6 o'clock P. M. Taxpayers business meeting for 1965 to act on Articles 5 through 17 will be held at 8 o'clock P. M.

PHILIP M. BARTLETT,  
EDWARD M. FABIAN,  
FRANK J. BRUNO,  
Selectmen.

**TOWN SCHOOL DISTRICT WARNING**

The legal voters of the Town School District of West Rutland, in the County of Rutland and State of Vermont, are hereby warned to meet at the Town Hall in said Town on the first Tuesday of March, being the 2nd day of March, A. D. 1965 at 10 o'clock A. M. to act on the following business:

1. To elect all Town School District Officers as required by law.
2. To see if the Town School District will vote a tax on the Grand List to pay debts and defray the expenses of the Town School District, and if so, how much.
3. To see if the Town School District will vote a tax of five cents on the Grand List to be used SOLELY for Athletic purposes.
4. To see if the Town School District will authorize the Board of School Directors, or other proper officers, to borrow money to meet the demands of the current expenses of the Town School District until funds can be realized from current taxes.
5. Shall the Town School District of West Rutland authorize the School Directors to employ a woman physical education instructor for approximately one-half time, to teach all pupils in grades one through six, plus all girls in grades seven through twelve? An affirmative vote will authorize an additional tax of eleven cents (\$.11) on the Grand List.
6. Shall the Town School District of West Rutland authorize the School Directors to renovate the girls' locker and shower rooms and purchase and install permanently lockers and locker baskets according to plans to be approved by the State Department of Education, at a cost of \$2,300 (Two Thousand Three Hundred Dollars) for the purpose of establishing a girls physical education program, and thereby make the Town School District eligible for a State Aid Award of 30% of the cost? An affirmative vote will authorize an additional tax of ten cents (\$.10) on the Grant List.
7. To act upon any other Town School District business which may legally come before the meeting.

PHILIP M. BARTLETT,  
EDWARD M. FABIAN,  
FRANK J. BRUNO,  
Selectmen.

Dated at West Rutland, Vermont  
February 10, 1965.

The Business Meeting to act on Articles 2 through 7 will immediately follow the Business Meeting of the Town.

## TOWN OFFICERS

Auditors—Mary St. Louis, John Orzell, J. L. Battles, James L. Young

First Constable—Stanley Pietryka

Second Constable—Wilbrod Trepanier.

Town Law Agent—Adam Krempa

Tree Warden—Town Manager

Collector of Taxes—Gene Wasik

Trustee of Public Monies—E. H. Bishop.

Overseer of the Poor—Town Manager

## TOWN MANAGER'S REPORT

To the Selectmen and taxpayers of West Rutland:

The following is the first report under the Town Manager form of government which has been in existence for only eight months. This is hardly a sufficient period to accurately evaluate the merit of the Town Manager system.

The town ended the year with a \$71,477.49 deficit compared to \$48,729.97 as of December 31, 1963. This increased deficit was not incurred by the Town Manager but is due mainly to one single welfare hospital and medical expense of \$4,536.45 plus \$18,467.73 in old bills which were outstanding when I took office and which did not show up in the last annual report. This latter figure includes the Clarendon Avenue project, road work, Civil Defense siren, hospital bills and legal fees for 1963. The highway tax for the year amounted to approximately \$13,750. However, prior to my appointment, during the first four months of 1964, the following had already been spent: Roads, \$18,515.22; General Funds, \$8,173.01; welfare, \$1,980.54. This represents \$28,668.77 of approximately \$57,000 which was voted at the March Meeting for highways and general fund for the entire year. Also, there was no appropriation voted for the Town Manager's salary and expenses.

Approximately \$6,800 of the special tax for the Clarendon Avenue project had been collected and had been spent in the General Fund before the Town Manager took office. Therefore, during 1964 it was necessary to borrow the full amount of the project, \$14,258.57. The 1964 and 1965 special tax will help to offset this borrowing, but there is still approximately \$6,800 to be made up.

In cooperation with the Selectmen, for the first time a budget of expenses and receipts has been prepared for 1965 so that everyone may know how the tax money is to be spent, and every effort will be made to keep within this budget. As of the end of the year most old and current accounts are paid in full, and I expect the town will now operate on a pay-as-you-go basis unless some unexpected emergency should arise.

The law states that the extent of borrowing of a town shall not exceed 90% of the total tax money received for all purposes. During 1964 this town's borrowings almost reached the limit allowed. Therefore, with the Clarendon Avenue special tax ending this year, it is recommended that a tax be levied over a four

year period to help defray the deficit so that the town may operate in a sound business-like financial manner.

A Town Farm Development Account and an Equipment Account have been established so that monies received in these accounts will be used for their benefit. During my term a GMC dump truck, an International 4-wheel drive truck and an Allis Chalmers loader have been purchased, with the expectation that equipment will pay for itself over a period of time instead of being rented as in the past, and all necessary work will be accomplished more economically. In comparison with \$2,255 paid for rental of a patrol truck during the first four months of 1964, the Equipment Account has repaid the General Fund \$1,600 for the cost of the GMC plus all equipment repairs and expenses since May 1st, and a cash balance of \$313.84 remains as of the end of the year.

In the Town Farm Development, a surveyor was hired to lay out 31 additional lots. The roads for these lots have been bulldozed and are ready for gravel. Some culverts have been installed. Considerable interest had been shown in lots in this development, and the Town Manager has had many inquiries. After the foregoing work had been completed, there was a balance for 1964 to be transferred into the Town Farm Development Account of \$1,680.00.

The traffic light has been improved to make the red light more visible to better control the traffic on the main streets.

#### **West Rutland Town Forest**

With the recent classification of the Bove Lot—20 acres and the Carlson Lot—70 acres, the Town of West Rutland now has a total of 290 acres of Municipal Forest land.

During the last year, 8 acres of timber stand improvement work was completed and 1 acre of open land was planted by the local Boy Scout Troop in Block #1 (Town Farm Lot).

A gas pump has been installed at the Town Garage as a savings and convenience. Presently the furnace at the Town Garage is using up the soft coal which was left over at the town hall. However, eventually this furnace should be converted to oil. All street lights have been replaced with new mercury lights. I was able to purchase salt for winter use delivered to our yard at a saving of \$1.65 a ton in addition to saving trucking and manpower expense.

The town highway checking account will be discontinued as of December 31, 1964. Winter maintenance will be included in

the road account so that taxpayers may better understand the entire road expense for the year. It is suggested that 50c be deducted from the present General Fund tax of \$1.90 and added to the present road tax, thereby making a total highway tax of \$1.10 and providing \$12,000 for winter maintenance work. For 1965 a General Fund tax of \$1.70 is recommended.

Road conditions have been improved by removing some boulders and ledge, repairing some existing culverts, repairing and resurfacing some State Aid and town highways. This work must continue if we are to preserve our present hard surfaced roads. The Town Manager has worked with one full time man plus part time help when necessary.

The Whipple Hollow Road project will be continued and a bridge project will be completed if town funds are available to match State money. It is expected that Sheldon Avenue will be repaired and some other town highways will be resurfaced this year. Several of the culverts repaired will have to be replaced gradually over a period of time.

With town equipment the sidewalk on the east side of Barnes Street was rebuilt and sidewalks were resurfaced on both sides of the west end of Main Street, Elm Street and the west end of Ross Street. There are many sidewalks that need work done including Pleasant, Church, Blanchard, Smith & Brown and Marble Streets.

By placing the bulldozing and gravel work at the town dump on bids, the dump expense (exclusive of caretaker's salary) for the year was \$488.42 compared to \$1,224.58 the previous year. The churches, schools and skating rink are being plowed by town equipment.

Through the efforts of the Town Manager, West Rutland has been selected as one of five towns in the State to participate in a research grant program sponsored by UVM to provide small town governments with a uniform system of IBM bookkeeping. The Town Manager has also learned that federal matching funds will be available for outdoor recreation planning, acquisition and development. This should be of great assistance to our local recreation program.

The following suggestions are made:

- (1) To combat the high cost of operating the town hall, that the fuel oil supply be put up for bids;
- (2) That the Town Manager collect delinquent taxes so that the interest and penalties will go into the General Fund;

- (3) That an ordinance be adopted to dispose of condemned and partially burned buildings within the town;
- (4) That an attempt to be made to prevent speeding and roadside trash dumping on town highways;
- (5) That the present 2% discount on current taxes be eliminated or 15c be added to the recommended General Fund tax of \$1.70. Otherwise the \$3,500 refunded to taxpayers in discounts will curtail the services rendered by the General Fund by that amount;
- (6) That minor repairs be made to the town garage to make it more weatherproof for equipment.

Anyone familiar with business operations knows that it takes time to affect major changes. However, the Town Manager is optimistic about West Rutland's future, and thanks the Selectmen and all of the taxpayers for their help and cooperation during the past eight months.

Respectfully submitted,

GEORGE W. MEGRATH,  
Town Manager

## AUDITORS' REPORT

---

To the Taxpayers of West Rutland, Vermont

The Balance Sheets of the Town of West Rutland and other related statements of Cash Receipts and Disbursements, as of December 31, 1964, have been examined by the Board of Auditors.

The Taxes levied for the year 1964 and prior years uncollected taxes were accounted for by collections, or taxes, in the collector's hands by the end of the year. Payments by the State of Vermont to the Town, as confirmed by the Auditor of Accounts, were accounted for.

Disbursement orders were examined and found correct.

The Balance Sheet and related statements of Cash Receipts and Disbursements present the position of the Town as of December 31, 1964 and transactions of the year then ending.

After careful examination of the accounts of the various Town Officers, we recommend the Overall Budget as given in this report for the coming year.

We recommend an ear-marked tax, agreeable to the voters, for retirement of the present debt.

The voters of the Town are faced with increasing the General or Highway tax rates or curtailing present existing services.

MARY ST. LOUIS,  
JOHN ORZELL,  
JAMES L. YOUNG,  
Auditors

V. A. SEVIGNY, Town Clerk

**VERMONT STATE DEPARTMENT OF HEALTH  
ANNUAL TOWN REPORT, 1964**

During the year we sent letters to many of the people of the town of West Rutland concerning the immunization status of their children. I would like to thank them for their very fine response to this inquiry. You will be interested in learning that in Vermont 4 out of every 5 babies have been started on their shots for diphtheria, whooping-cough, tetanus and polio by 6 months of age.

This is a testament to the genuine concern which Vermonters have for the health of their children, their neighbors and their communities; something in which every Vermonter can take pride.

The following is a tabulation of some of the more important health services provided people of your town in the fiscal year 1964.

Attendance at well child clinics	235
Nutrition, dietary consultations to institutions, groups, individuals	—
Pediatric consultations for child health problems	—
Number of children given diagnostic service at hospitals	—
Number of children aided at handicapped children's clinics for speech and hearing, orthopedic, plastic, plastic, neurological, cardiac problems	13
Number of children financially aided with hospitalization	1
Number of children served by mental retardation clinics	—
People X-rayed for tuberculosis detection	30
Diphtheria, Tetanus, Whooping-cough immunizations	227
Polio immunizations (Salk injection or Sabin oral) at clinics	650
Number of water samples tested (private and public supplies)	55
Food and dairy products tested	—
Blood specimens (pre-marital, pre-natal and other)	74
Other laboratory specimens	15
Sanitary inspections, consultations (food and lodging, camps)	23
Water, sewage, disposal, public building and other inspections	23
People X-rayed for occupational diseases	126
Hospital and nursing home inspections and consultations	2

Dental health education, number of children served in schools	—
Number served by tumor clinics	1
Public Health Nurse home visits	123
Number served by Public Health Nurse visits	57

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.  
Commissioner of Health

VERMONT DEPARTMENT OF SOCIAL WELFARE  
Montpelier, Vermont

To the Auditor of the Town of West Rutland.

## REPORT OF RECREATION COMMITTEE

Mr. Ronnie Bates efficiently begun the year at the skating rink. The average daily attendance was between 50 and 60 persons showing a very definite desire for skating.

Applicants for Summer positions were screened early in May and a final settlement was made with John Rogers Jr. as supervisor. The Misses Mary M. Nash and Jean Pietryka were selected to be assistants. The three selected attended a recreation course directed by the State Recreation Dapartment. Mr. Howard Jeffrey, State Director, highly praised their willingness to hard work that increase their education of this particular field.

In the past three years the attendance at the Sabotka Swimming Hole has greatly increased to between 250 and 300 children and adults. With so many taking advantage of this project the Recreation Board was faced with a problem of space, sanitation and construction. As many of you know only a verbal agreement was made with Mr. Chapman that could interrupt our activities simply by selling or constructing. Realizing that we had no legal right to add to the facilities we approached Mr. Chapman with a proposal to purchase the desired land which was accepted by Mr. Chapman. The paperwork was handled by Robert Turner and the legal work by Attys' Bloomer and Bloomer.

Now that we had a legal right to enlarge we found that we did not have sufficient funds on hand. We then entered into an option agreement with Mr. Chapman wherein we would pay at this time \$400.00 and the balance of \$1600.00 in March, if so voted by the Townspeople. Considering the asset to the Town we considered the price asked a fair one.

We have been approached by both teenagers and adults at the inadequacy of our Tennis Courts. A survey was taken and we found that persons who wished to play had to wait too long a time to use a court. There is a decided increase in interest of this sport and we are now in the process of having an estimate made for the construction of one or two more courts.

On Friday nights during the Summer months block dances were held for the teenagers with much success and under the supervision of Bernard Nash and other chaperones.

Chas. Glidden attended a conference in Montpelier this past Winter and learned that the town can get a Federal Aid for the purpose of planning acquisition and development of Recreational areas. This would include Sabotka's and the Tennis Courts. The

final paperwork was sent to the State House in December but the proposition is on a matching dollar for dollar basis and must be voted upon at the March Meeting.

In closing may we say that the objective of Recreation is to help people acquire a well balanced, fully developed personality that functions with efficiency and satisfaction by the development of a social environment conducive to the end. Do your part when you are asked and we will do ours. It is a better way of life.

Respectively submitted,

CHARLES GLIDDEN

IRENE M. McCORMACK

BERNARD NASH

ROBERT TURNER

## SUPERINTENDENT'S ANNUAL REPORT West Rutland, Vermont

Writing this first report to the voters of West Rutland is a difficult assignment. There is an unusually large number of topics which should be presented for your consideration; but space prevents lengthiness.

First, then, there are genuine feelings of appreciation to be expressed to the pupils, the teachers, the school board members, the parents and citizens for their friendliness. Continuation of the improving of the education of West Rutland's young people is made easier when we meet and discuss and plan as friends. There is much for us to weigh and to plan.

Mr. William Timbers was appointed to the Principalship as of July 1, 1964, to succeed Mr. Frank Hinckley. He has demonstrated himself to be a truly capable and responsible leader deserving of the fine support you have extended to him.

One new teacher was added for 1964-1965, bringing three other teaching assignments closer to meeting the new State Minimum Standards for Secondary Schools. Another additional teacher for 1965-1966 is necessary for further progress. You will vote separately on adding a part-time woman physical education teacher, who can provide training for boys in the elementary grades, and all girls. Renovations of the girls' shower and locker rooms are essential if our girls are to use them every day, and a separate article in the warning covers this proposal.

Addition of a part-time teacher of woodworking for boys in grades 7, 8 and 9 is being planned. Consideration is being given, also for grades 7 and 8, to hiring a teacher especially trained in English and the social sciences for one of two vacancies created by retirements, and a second teacher qualified in modern math and science for the other.

Three elementary and 58 high school pupils come to us from Ira, Timmouth, Middletown Springs and Castleton. Our allowable high school tuition charge for 1964-1965 is only \$322.29. This figure is but 65% of the state average cost of \$416.00. West Rutland High School thus is not over-spending, nor are parents and citizens being asked to do more than a fair share in support of schools.

The teachers in West Rutland have joined those of other districts in professional meetings this year, for the first time. The school directors in Proctor and Rutland Town have joined with your directors to formulate educational policies to apply in all

three towns. We are part of an area vocational school under study jointly by Rutland City and seven other districts. Meetings are scheduled to study with neighboring towns the various proposals for enlarging school districts. Although your superintendent feels Vermont does not need nor want truly large school districts, the 1965 versions of plans for enlarging and unifying districts, as about to be studied in the legislature, are in general reasonable. He is strongly of the mind that "quality and meaning" in the education of West Rutland youth (especially at the high school level) and long-range economy lie in sharing problems and answers with Wallingford, Proctor, Rutland Town and those towns mentioned above who now send us tuition students. Serious studies cannot start too soon; your active interest and concern are equally important.

Admiration and thanks are extended to a corps of retiring teachers who have carried on with honor and diligence their work with children for many years. Their know-how and devotion have long served West Rutland boys and girls:

Miss Julia A. McCarthy	52 years of teaching
Miss Julia V. Higgins	47 years of teaching
Miss Margaret C. McDevitt	43 years of teaching
Miss Grayce M. Groonell	40 years of teaching

In his 1965 budget message, Governor Hoff has said, "The children of Vermont deserve an education second to none in quality and meaning." And, "the times demand a bold approach . . . the necessity results from having done too little for too long." We owe it to the excellent youth of West Rutland to consider how much effort, and even sacrifice, may be needed to provide them a "competitive" education in to morrow's vastly changed world. Henry David Thoreau once remarked that "The cost of a thing is the amount of . . . life which is required to pay for it, immediately or in the long run." Either we, now and here, use our lives and our abilities to provide a strong and modern education, or our young people will pay in and with their lifetimes to reach for the quality we do not now support.

GEOFFREY GRAHAM,  
Superintendent

## SCHOOL REPORT FOR 1964

On January 28, 1964 a make-up clinic was held at the Main Street School. Dr. Frank J. Smolinski was the attending physician, assisted by Miss Nancy Blondo, public health nurse and Mrs. Esther Nelson, school nurse. There were 19 children who received immunizations; one was refused because of eczema. One vaccination, 6 re-vaccinations, 10 polio vaccine, 7 diphtheria, 3 tetanus boosters were given.

On February 4, 1964 an Oral Sabin Polio Clinic for Type I was held at the Main Street School.

There were 111 who took advantage of this program.

On March 18, 1964 an Oral Sabin Polio Clinic for Vype III was held at the Main Street School. There were 147 who took advantage of this program.

I attended a Nurses Meeting on April 2, 1964 at the Rutland Junior High School.

There were five preschool clinics held at the Main Street School. The attending physician was Dr. Frank J. Smolinski, assisted by Miss Nancy Blondo, public health nurse, and Mrs. Esther Nelson, school nurse.

There were 136 physicals, 41 vaccinations, 117 re-vaccinations, 22 first diphtheria tetanus and pertussin, 7 second diphtheria tetanus and pertussin, 20 third diphtheria tetanus and pertussin, 57 diphtheria tetanus and pertussin boosters, and 52 salk polio vaccine. These clinics were held on April 14, 16, May 6, 13 and June 12, 1964.

Workers were Mrs. Frank Bioty, Mrs. Anthony Tumielewicz, Mrs. John Oprendek, Mrs. Valentine Drzewicewski, Mrs. Frank Bruno, Mrs. John Weinreber, Mrs. John Wilk, Mrs. Francis Johnson, Mrs. Valentine Lacz, Mrs. Walter Baron, Mrs. Walter Swierdzewski, Mrs. John Przybylo, Mrs. John Lundrigan and Mrs. Patrick McCormack.

On May 5, 1964, the last Oral Sabin Polio Clinic for Type II was held at the Main Street School. There were 171 who took advantage of this clinic.

On September 9, 1964 school opened with half-session.

There were 569 students registered in the Main Street and Saint Stanislaus schools. In September, vitamins were distributed to any child in the grades if the parents so desired. These vitamins are furnished by the Parent-Teacher Association.

The children at Saint Stanislaus School also receive vitamins; each child pays for his own.

Preschool children also have the advantage of procuring these vitamins. To date 10,000 vitamins have been supplied to preschoolers.

On September 14, 1964 notices for the dental clinic were sent to parents of the public and parochial school children.

This program started September 28, 1964 and we were fortunate to have Mrs. Dan Randall, a registered dental hygienist, back with us.

There were 160 children from the Main Street School and 79 from Saint Stanislaus School who signed for the program.

To date there are 60 preschoolers who signed for the program.

Each child is checked during the school year by the school nurse, and health records are kept for each. The parents are notified of any defects.

Hearing tests have been completed on all pupils in both schools. One pupil was referred to the Re-habilitation Center for a complete hearing check-up, and is under observation.

On October 2, 1964 the first school clinic was held at the Main Street School for the first grade. Dr. Frank J. Smolinski was the attending physician, assisted by Miss Nancy Blondo, public health nurse, and Mrs. Esther Nelson, school nurse. Workers were Mrs. John Przybylo, Mrs. John Weinreber and Mrs. Vincent Wierzbicki. There were 6 physicals, 33 diphtheria and tetanus boosters, 5 vaccinations, 11 re-vaccinations, 3 first diphtheria and tetanus, 2 second diphtheria and tetanus, and 4 salk polio.

On October 2, 1964 permission slips were sent home for a tuberculin test that was done on October 21, 1964.

On October 8, 1964 a clinic was held at the Main Street School. Dr. Frank J. Smolinski was the attending physician, assisted by Miss Nancy Blondo, public health nurse, and Mrs. Esther Nelson, school nurse, recorder was Mrs. Curtis Cassady. There were 45 re-vaccinations, 62 diphtheria and tetanus boosters.

On October 16, 1964 attended a Nurses Meeting at the Convention in Burlington.

On October 21, 1964 the Vermont Tuberculosis and Health Association sponsored a tuberculin test of 85 first and eighth grade students, and teachers of both schools in West Rutland. Assisting Dr. Frank J. Smolinski and Mrs. Esther Nelson, school nurse, was Mrs. Susan Meacham of the V. T. H. A.

All T. B. tests were negative when checked on October 26, 1964.

On November 19, 1964 a clinic for High School students was held at the Main Street School. Dr. Frank J. Smolinski was the attending physician assisted by Mrs. Veronica Williams, public health nurse, and Mrs. Esther Nelson, school nurse. Recorder was Mrs. Frank Bruno. There were 99 re-vaccinations, 90 diphtheria and tetanus boosters and 1 salk polio.

On December 17, 1964 a clinic was held at Saint Stanislaus School. Dr. Frank J. Smolinski was the attending physician assisted by Mrs. Veronica Williams, public health nurse, and Mrs. Esther Nelson, school nurse. Recorder was Mrs. Valentine Drzewiczewski. There were 7 diphtheria and tetanus boosters, 41 re-vaccinations and 18 salk polio.

On December 21, 1964 the Rotary Club and the Student Council of the High School gave me money to use for the needy children. This money will give 30 children a number of free lunches at school.

All school conferences were held under the supervision of the Vermont Department of Health.

Glasses have been procured for two children through the Lions Club.

There have been numerous cases of gripple, mumps and measles. Several children have been hurt during the school session and required a doctor's care. The school nurse has taken care of this.

Seventy-five calls were made and there were numerous phone contacts.

MRS. ESTHER NELSON, R. N.  
School Nurse  
Truant Officer

Number of books borrowed from State bookwagon	790

\* \* \* \*

The community rooms were used 97 times during the year by various clubs, organizations and private parties.

CLARA B. WEINREBER, Librarian

## 1965 WHITE PINE BLISTER RUST REPORT

A scouting survey has been made and it is suggested that the Town of West Rutland vote to appropriate the sum of \$200.00 to be used along with State and Federal funds in controlling the spread of White Pine Blister Rust.

A survey of the pine stands in your town, both natural and planted, was done last Fall and Blister Rust was found to be general in all lots checked and heavy in areas that include Clark Hill and the Castleton River Valley east toward the Proctor Town line.

This work should be done sometime during the Summer of 1965 but as it is a co-op program between the Town, State and Federal Governments, we can do nothing without your help.

### WHITE PINE DATA      RUTLAND COUNTY WEST RUTLAND, VERMONT

725 Acres of White Pine      Acres of Control Area 2597

**Report To Taxpayers**  
**WEST RUTLAND FIRE DISTRICT #1**

The Prudential Committee of the Fire District No. 1, West Rutland, Vermont, wishes to report on the management and operations of said district.

Committee reports that timber sale contract has been awarded on the West Rutland Municipal Forest (Fire District land). Marking for the sale was done by the Vermont Department of Forests and Parks on the individual tree selection basis designed to harvest mature timber and improve watershed values. Another sale is contemplated for the winter of 1965.

Also, thirteen (13) new water services have been connected to the system. This will be an increase of income of about \$260 from water rents.

The Pump House and the Chlorinator House have been painted for the first time since their erection. They were painted inside and out. The cost was \$257 for paint and labor.

The reservoir was cleaned at a cost of \$2,810.

A four-wheel drive truck was purchased for the use of the water works superintendent and the firemen. The cost of the truck was \$1,200.

**PROPOSALS:**

There will be a census taken of all the water users this spring to bring everything up-to-date. This census will be taken by Mr. James McCarthy and Mr. Stanley Grabowski.

In the near future, there will be some tree cutting along the north bank of the reservoir to eliminate the leaf problem. Trees such as birch, maple, popple and others will be cut out, leaving only the evergreens.

Based on the present rate of operations and on nonrecurring expenditures, the tax rate can be cut from 70 cents to 60 cents.

Some of the nonrecurring expenditures are as follows:

Reduction in interest payment	\$ 157.50
Cleaning of reservoir	2,810.00
Repair of Fire truck	988.00
Painting of Pump and Clorinator houses	257.00
Potter's Garage	120.00
<hr/>	
TOTAL	\$4,332.50
Plus new income from water rents	260.00
<hr/>	
	\$4,592.50

The \$14,000 one-year notes to Proctor Trust Company have been reduced to \$9,500. With the present rate of operations and no big repairs of any kind to the system, there can also be a substantial decrease in the present debt of \$9,500 in this year of 1965.

These reports were typed and mimeographed by the Commercial Department of West Rutland High School.

Respectfully submitted,

PRUDENTIAL COMMITTEE
